Don't have time or room to make your own glace or stocks? Leaving pots on overnight can dig into your utilities expenses as well as create a potential fire hazard...health departments frown on it, and frankly its just a hassle. **We've got your solution.** Our expertly made grass fed veal, beef & lamb glaces are amazing...and our mussel and lobster stock is out of this world! They are smartly sized to maximize kitchen space and can be diltued into a demi if need be. All are available on page 18.

**St. Patrick's Day is almost here...pick up some of our retail corned Wagyu eye of round on page 20!**
